

# DEFCON 2013

*Captain Thule: The Blood Ravens will not be driven back by one such as you!*

*Farseer Taldeer: Take solace at least in facing defeat at the hands of your betters. There is no dishonour in that.*

*Captain Thule: We have yet to meet our betters, alien, certainly not on this forsaken world! All we have seen here are tyrants, heretics and alien scum.*

*Farseer Taldeer: You should have looked beyond your mirror then.*
